COMMUNICATION CONCERNING INITIAL ASSESSMENT

Reference: RDW-92250302 00

RDW, the Approval Authority for The Netherlands, has performed an Initial Assessment on documents, to verify if the hereafter mentioned manufacturer fulfils the requirements concerning the Conformity of Production (COP) in order to be able to issue National, EC and/or ECE approvals. The manufacturer concerned is:

Danang Rubber Joint Stock Company
01 Le Van Hien Street, Ngu Hanh Son District
Da Nang City, Vietnam

RDW herewith states that above mentioned manufacturer has documented adequately the measures and procedures to assure that components, technical systems or vehicles are produced in such fashion that the COP is guaranteed. Verification of effectiveness of these measures will take place at a later time

This initial assessment concerns the production of: components according to Regulation ECE R54 and R75.

And the following production facilities: see annex.

The Manufacturer is obliged to the following:

- Constantly be able to demonstrate that produced components, technical systems or vehicles comply with the approved type.
- Report relevant changes in product or organisation as well as the Quality Assurance to the Technical Service or RDW.
- Provide on request of RDW documents or reports concerning COP.
- Allow employees of RDW entrance to mentioned production facilities in order to verify COP measures.

Validity : Until further notice

Place : Zoetermeer
